Free Cat Spay/Neuter*

**for Lower-Income Family Pet Cats and Managed Feral Cat Colonies*

If you're providing life care for cats (*living indoors or out*) but can't afford the front-end cost to get them fixed — you may qualify for our **free** spay/neuter vouchers. Redeemable at participating spay/neuter and veterinary clinics, the vouchers pay the **full** cost to spay or neuter each cat *and* vaccinate for rabies (if done at the time of surgery).

For complete program information, call us or visit our web site today. Both you — and your cats — will be glad you did!
